About Henkel

Henkel, a multinational company with leading products in the Adhesive Technologies, Beauty Care, and Laundry & Home Care sectors, established a new facility in Kruševac, Serbia, to expand production. This included establishing a new conference room at the factory.

Requirements

- High-quality video transmission for a 4x4 video wall
- Real-time switching of video sources with stable and continuous streams
- Intuitive control via a mobile device and wall-mount keypad

Benefits

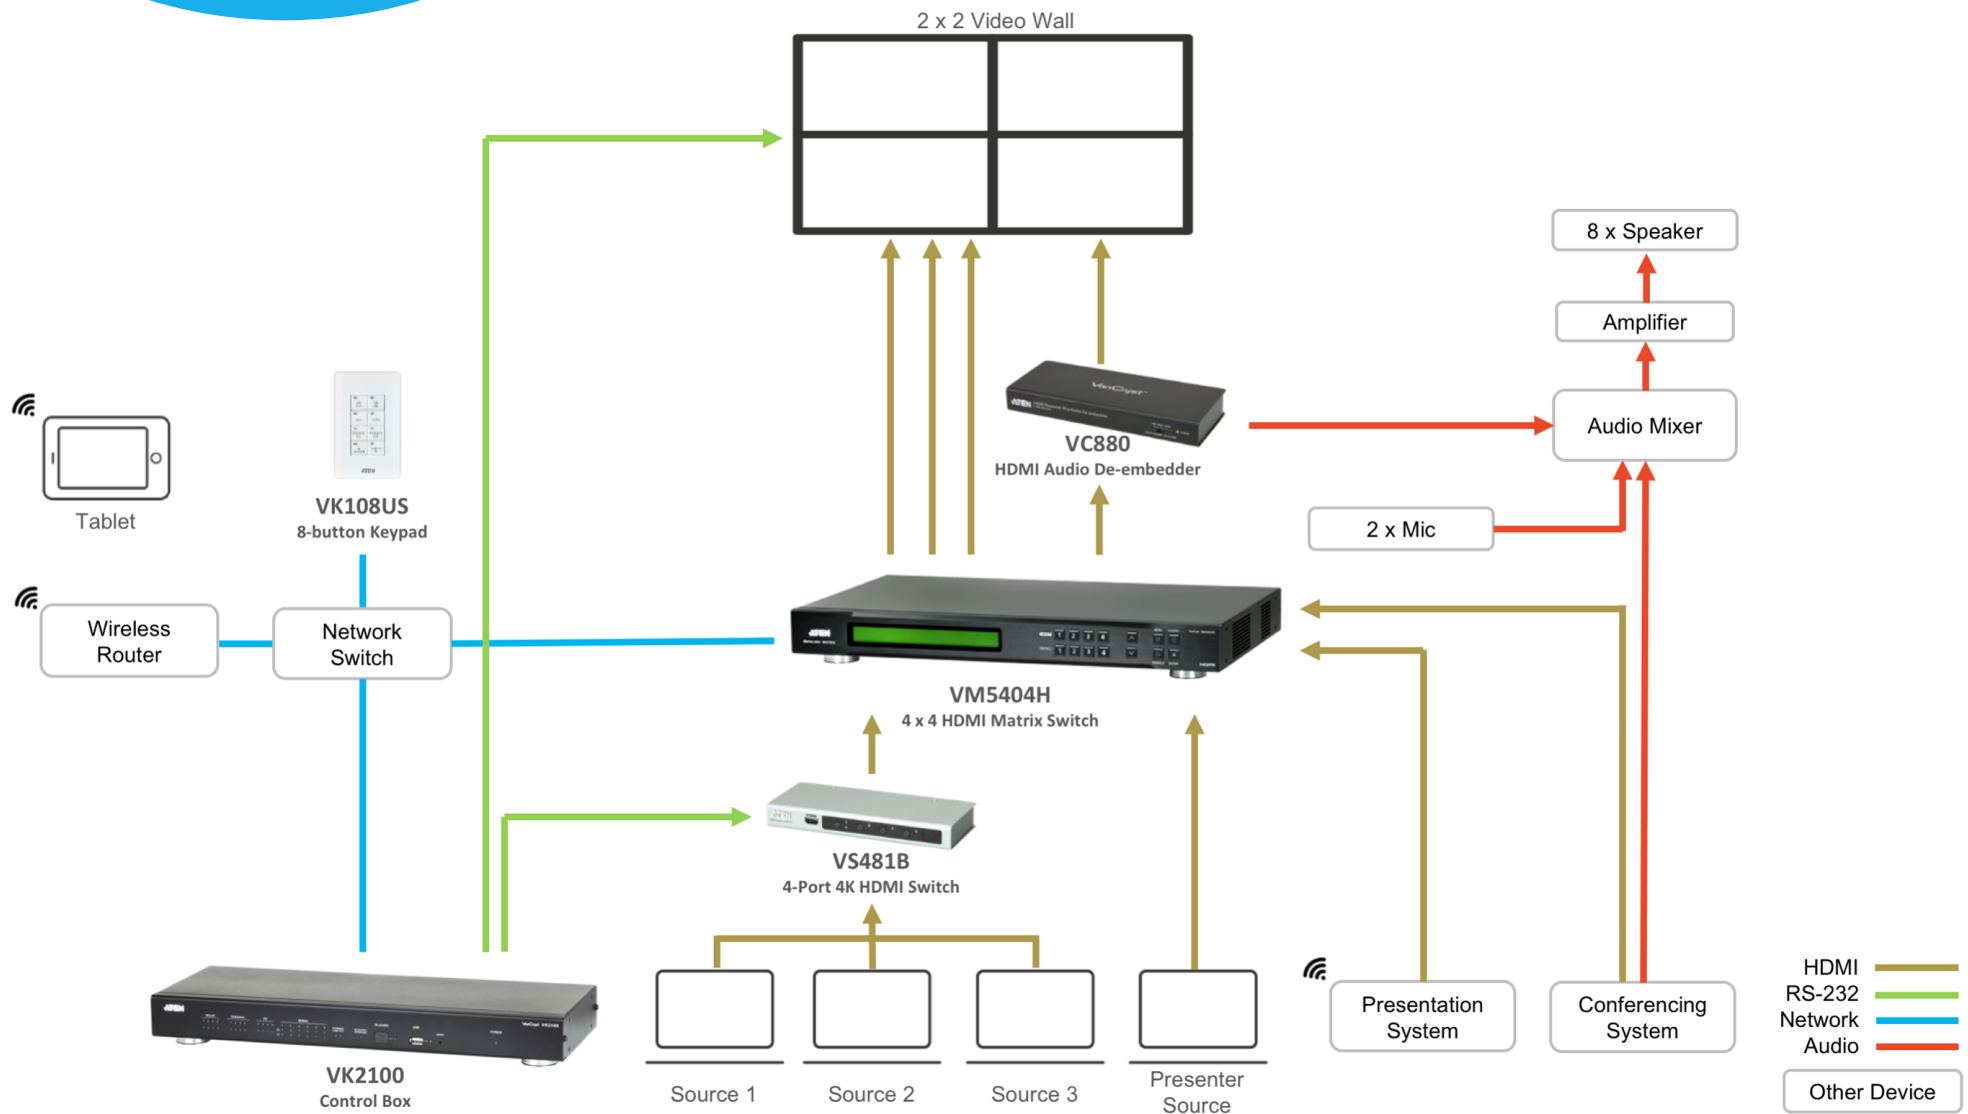

- **Video Wall Scaled to Perfection**
Delivers smooth, synchronized video rendered at optimum output resolutions with uncompromised precision across the video wall.
- **Seamless Switch™ for Ultra Smooth Transitions**
Enables real-time control and zero-delay switching between multiple sources for uninterrupted experiences while transitioning from one video source to another.
- **Customized, Centralized Control**
Integrates diverse hardware and provides customized mobile and keypad control interfaces so that various meeting scenarios can be controlled via a few clicks.
