

# Education // Cooking School

VIVE Cooking School | ANZ

The VIVE Cooking School is one of the hottest cooking schools in Sydney, Australia. It's a platform for passionate home cooks of all ages. At VIVE, the chefs demonstrate the cooking process of a variety of delicious dishes and show the close-up details to students via live streaming video.

**“We are always looking for ways to engage and improve our students’ experience at VIVE Cooking School. I am very impressed by the support and solution that ATEN has provided to our school. Not only we are now capable of delivering a higher experience thanks to ATEN Seamless Switch™ technology, but we know that the support team is very professional and reliable.”**

Jean-Luc Tan,  
VIVE Cooking School Founder CEO

## Challenges

Needed to consolidate control of a variety of video source devices, including three cameras and one laptop computer, and four Full HD displays and one monitoring screen as video outputs

Required a remote control solution instead of manually switching the cameras via a laptop

Essential highest quality video resolution for all the students to see the details of chef's cooking demonstrations

Must be able to work in tandem with existing broadcasting hardware as well as increase its number of video outputs from one to many

Looking for an all-in-one user-friendly solution that people with limited tech knowledge can use to control the system

## Solutions

Video Matrix Switch  
VM5808H

ATEN Control System -  
Compact Control Box  
VK1100

3G-SDI to HDMI/Audio  
Converters  
VC480

HDMI Wireless Extender  
(1080p@30m)  
VE809

## Benefits

Provides centralized control for the whole system via handheld devices

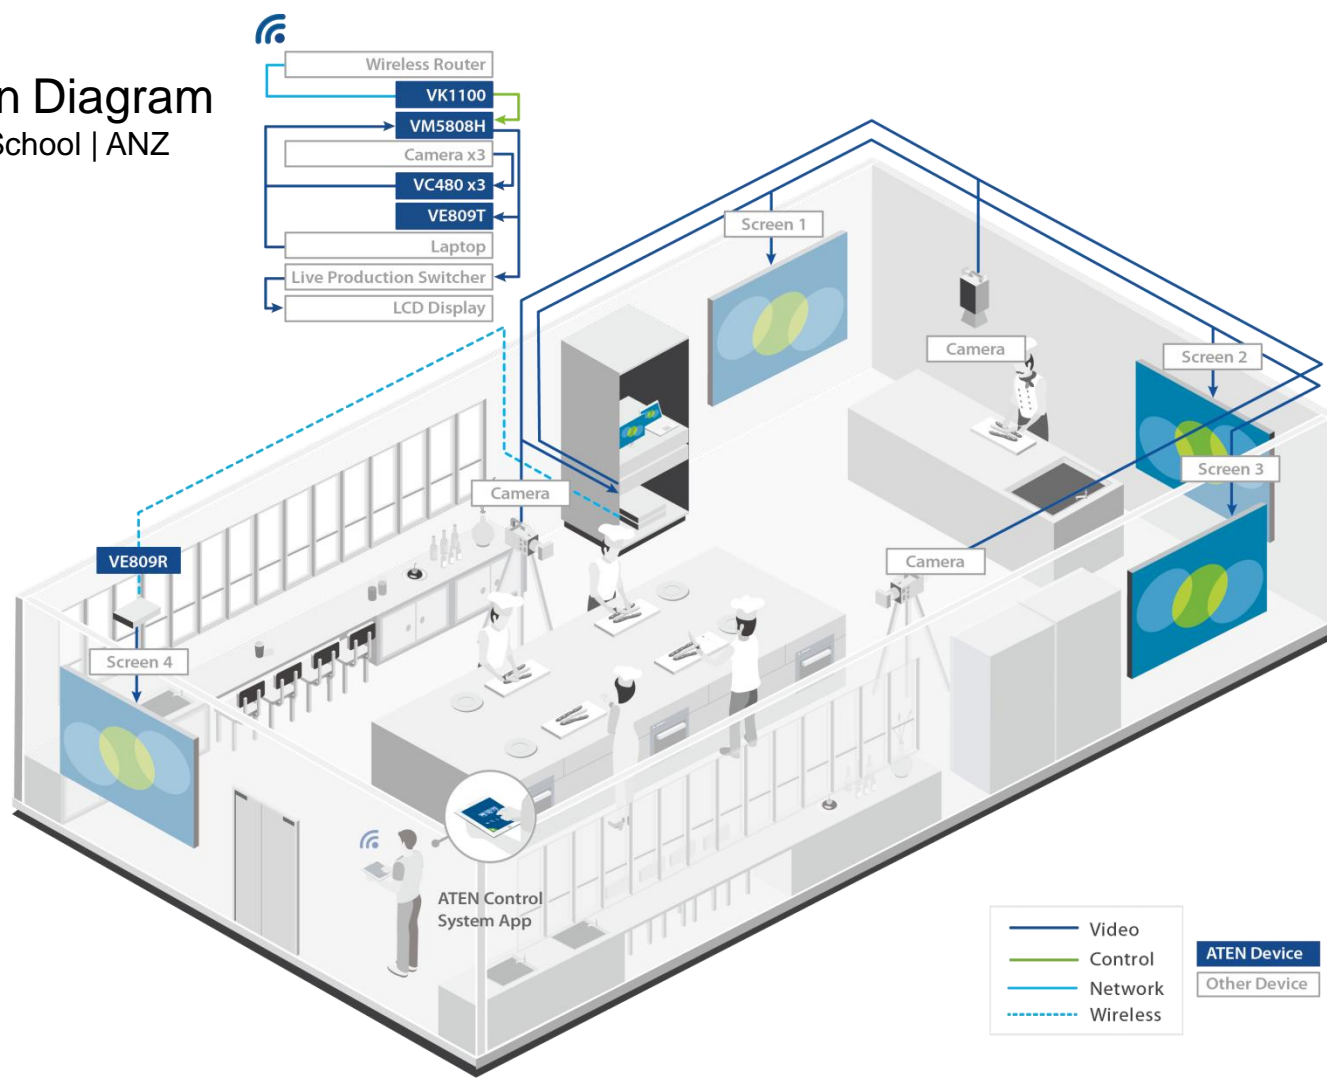

Ensures top video quality and seamless switching between reliable, continuous video streams

High level of compatibility enabled the new ATEN solution to integrate with the existing one

Features an intuitive and user-friendly interface so no IT experience is needed to control the system
