

Blank Rack Panel

RA1400 / RA1401 / RA1402 / RA1500 / RA1600 / RA1700

ATEN offers a wide range of flexible rack accessories to meet the needs of IT personnel for managing racks and installing equipment. All accessories are functional, ensuring the safe operation of equipment and personnel, and can be easily applied to different rack configurations.

The ATEN 1U / 2U / 3U / 4U / 5U / 6U Blank Rack Panel complies with the latest EIA/ECA-310-E standards and features a tool-free installation/removal design. It provides essential functions such as rack space filling, airflow management, dust protection, and visual appeal, contributing to the stable and secure operation of equipment.

Available in 1U / 2U / 3U / 4U / 5U / 6U height options, this panel is offered in white and black variants. It is suitable for ATEN or other brands' 19-inch racks, including server and network racks, and can be mounted at any height on the rack's adjustable vertical rails.

Note: Blank Rack Panels are sold in sets of 2 pieces.

RA1700 White

RA1700 Black
