

6U Wall/Desktop Mount Rack

RC2800

ATEN has over 30 years of experience in rack design and manufacturing, with certifications including UL in the United States and Canada, CE in the European Union, and multiple domestic and international patents (certificate numbers: M377678, M385174, M513193, etc.). All ATEN's racks are fully manufactured in Taiwan, adhering strictly to the EIA/ECA-310-E standards.

For offices, studios, or spaces with limited room, ATEN offers a variety of open-frame racks, including desktop, wall-mounted, and side-mounted wall types, to meet the needs of storing a smaller number of devices.

This rack complies with the latest EIA/ECA-310-E standards and features a 6U height design. It can be placed directly on a desk or other flat surfaces, making it suitable for deploying a small number of AV, surveillance, or IT devices. It can also be mounted on a wall, ideal for space-constrained environments such as security rooms, shafts, meeting rooms, or classrooms.

Features

- Desktop / wall-mount design for flexible installation
- 6U installation space, ideal for deploying a small number of IT devices
- Suitable for space-constrained environments such as offices, security rooms, shafts, meeting rooms, or classrooms
- Complies with the latest EIA/ECA-310-E standards

Specifications

	RC2800
Physical Properties	
U Spaces	6U
Internal Height	269 mm
Overall Height	295 mm
Overall Depth	461 mm
Overall Width	581 mm
Color	Black
Enclosure Frame	SPCC / SPHC
Weight Loading (Static)	40 kg
